Details of significant changes (i.e. change of 25% or more as compared to the immediately previous financial year in key financial ratios)

S. No.	Particulars	FY 2018-19	FY 2017-18	Detailed explanation for changes thereof
(i)	Interest Coverage Ratio	(1.59)	57.85	This ratio has changed significantly due to the following reasons: 1. In FY 2018, there was a Gain on sale of property, plant and equipment and intangible assets of Rs. 58,10,67,555 but in current FY i.e. 2019, it is Rs. 5,000. 2. In FY 2019, Interest expense is Rs. 64,72,881 which basically includes interest payment to GAIL and payment of income tax. However, in FY 2018, Interest expense was Rs. 89,48,855 which basically includes payment to Bank of Rs. 39,15,956 and interest on delayed payment of tax 41,50,000. Thus, there is reduction in interest burden due to settlement of all borrowings. It was partially offset due to payment to Gail.
(ii)	Current Ratio	14.95	2.95	This ratio has changed significantly as the Company has repaid all the current liabilities.
(iii)	Net Profit Margin (%)*	(0.04)	-	In previous year 2017-18, there were no continuing operations in the company.

\* Considered only for continuing operations

Details of any change in Return on Net Worth as compared to the immediately previous financial year along with a detailed explanation thereof.

The Return on Net Worth for the financial year 2018-19 is (0.03)% compared to previous financial year 2017-18 which was 1.62%. This change in return on net worth is due to exceptional items in the previous financial year 2017-18.

### PRACTICING COMPANY SECRETARIES' CERTIFICATE ON CORPORATE GOVERNANCE

To the Members of  
Hindustan Everest Tools Limited,

1. I have examined the compliance of the conditions of Corporate Governance by Hindustan Everest Tools Limited ('the Company') for the year ended on March 31, 2019, as stipulated under Regulations 17 to 27, clauses (b) to (i) of sub regulation (2) of Regulation 46 and para C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations").

The compliance of the conditions of Corporate Governance is the responsibility of the management of the Company. My examination was limited to the review of procedures and implementation thereof, as adopted by the Company for ensuring compliance with conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company. The provisions of the regulations of Corporate Governance become applicable to the Company w.e.f. 01/04/2018 and the Company was required to comply with the requirements those regulations within six months from the said date.

#### **Basis for Qualified Opinion**

2. I further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors and Non-Executive Directors except that with regard to the composition of the stakeholders relationship committee in terms of SEBI (Listing obligations and disclosure requirements) Regulations, 2015, the Company had not met the said requirement for a short period of time for part of the year as the board had decided to reconstitute it in the upcoming meeting of the board of directors which occurred due to resignation of two independent directors.

#### **Qualified Opinion**

3. In my opinion and to the best of my information and according to the explanations given to me, and the representations made by the Management, except for matter stated in paragraph 2 above, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations for the year ended on March 31, 2019.

I further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

## INDEPENDENT AUDITORS' REPORT

### TO THE MEMBERS OF HINDUSTAN EVEREST TOOLS LIMITED

#### Report on the Audit of the Standalone Financial Statements

#### Opinion

We have audited the accompanying Standalone financial statements of Hindustan Everest Tools Limited ("the Company"), which comprise the Balance sheet as at March 31 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, its loss including other comprehensive income its cash flows and the changes in equity for the year ended on that date.

#### Basis for Opinion

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

#### Emphasis of Matter - Material Uncertainty Related to Going Concern

We draw attention to **note 22** to the standalone financial statements, explaining in detail the management's plan to identify a new business subsequent to closure of the Company's only manufacturing unit and the ability of the Company to continue as a going concern. The conditions that exist after closure of the only manufacturing plant of the Company cast a significant doubt on the ability of the Company to continue as a going concern.

Our opinion is not qualified in respect of this matter.

#### Key Audit Matters

Except for the matter described in the Material Uncertainty Related to Going Concern section above, we have determined that there are no other key audit matters to communicate in our report.

#### Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the standalone financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. When we read the Annual Report If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact to those charged with governance.

#### Responsibilities of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds

and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are also responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended March 31, 2019 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure 1**" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The Balance Sheet, the Statement of Profit and Loss(including Other Comprehensive Income), the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- (e) On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these standalone financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;
- (g) In our opinion, the managerial remuneration for the year ended March 31, 2019 has been paid by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
  - I. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer note to 22 (b)(iv) the financial statements;
  - II. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and

[Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report of even date to the members of **Hindustan Everest Tools Limited** on the **standalone financial statements** for the year ended March 31, 2019]

- i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment. Further, refer note 22 related to discontinued operations.
- (b) During the year, the property, plant and equipment of the Company have been physically verified by the management and as informed, no material discrepancies were noticed on such verification. In our opinion, the frequency of verification is reasonable having regard to the size of the Company and the nature of its assets. Further, refer note 22 related to discontinued operations.
- (c) The title deeds of immovable properties recorded as property, plant and equipment in the books of account of the Company are held in the name of the Company. Further, refer note 22 related to discontinued operations.
- ii) The Company does not hold any inventory (refer note 22 related to discontinued operations). Accordingly, the provisions of paragraph 3 (ii) of the Order are not applicable to the Company.
- iii) Based on information and explanation given to us, the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Act. Accordingly, the provisions of paragraph 3 (iii)(a), 3 (iii)(b) and 3 (iii)(c) of the Order are not applicable to the Company.
- iv) Based on information and explanation given to us, the Company has not given guarantees or securities for loan taken by others and has not given any loans. Accordingly, provisions of paragraph 3 (iv) of the Order, insofar related to loans, securities and guarantees are not applicable to the Company. Further, the Company has complied with the provisions of Section 186 of the Act in respect of investments made by the Company in securities of other body corporates.
- v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public within the provisions of Sections 73 to 76 of the Act and the rules framed there under. Accordingly, the provisions of paragraph 3 (v) of the Order are not applicable to the Company.
- vi) The Central Government has not prescribed the maintenance of cost records for any of the products of the Company under sub-section (1) of Section 148 of the Act and the rules framed there under. Accordingly, the provisions of paragraph 3 (vi) of the Order are not applicable to the Company.
- vii) (a) The Company is generally regular in depositing with appropriate authorities, undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income tax, customs duty, cess and any other material statutory dues, as applicable to it, though there were slight delays in few cases. However, there were no undisputed statutory dues as at the year end outstanding for a period more than six months from the date they became payable.
- (b) According to the information and explanation given to us, there are no dues with respect to income tax, customs duty and goods & service tax which have not been deposited on account of any dispute.
- viii) In our opinion and according to the information and explanations given to us, the Company has not, borrowed any funds from financial institutions or raised any funds through issue of debentures. Accordingly, provisions of paragraph 3(viii) of the Order are not applicable to the Company.
- ix) The Company has neither raised money by way of public issue offer nor has obtained any term loans. Accordingly, provisions of paragraph 3(ix) of the Order are not applicable to the Company.
- x) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud by the Company or any fraud on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such instance by the management.
- xi) According to the information and explanations given to us, managerial remuneration has been paid in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
- xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, provisions of paragraph 3(xii) of the Order are not applicable to the Company.
- xiii) According to the information and explanation given to us, all transactions entered into by the Company with the related parties are in compliance with Sections 177 and 188 of Act, where applicable and the details have been disclosed in the Financial Statements etc., as required by the applicable Indian Accounting Standards.
- xiv) The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures

during the year under review. Accordingly, provisions of paragraph 3(xiv) of the Order are not applicable to the Company.

- xv) According to the information and explanations given to us, the Company has not entered into any non-cash transactions with directors or persons connected with him during the year.

## ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT

### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

To the Members of **Hindustan Everest Tools Limited**

We have audited the internal financial controls over financial reporting of Hindustan Everest Tools Limited as of March 31, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these standalone financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to these standalone financial statements.

#### Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting with reference to these standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting with reference to these standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting with reference to these standalone financial statements and such internal financial controls over financial reporting with reference to these standalone financial statements were operating effectively as at March 31, 2019, based on the criteria for the internal control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## **Explanatory paragraph**

We also have audited, in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India, as specified under section 143(10) of the Act, the standalone financial statements of Hindustan Everest Tools Limited, which comprise the Balance Sheet as at March 31, 2019, the related Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information, and our report dated May 16, 2019 expressed an unmodified opinion.

## Summary of significant accounting policies and other explanatory information to the standalone financial statements for the year ended March 31, 2019

### 1. Background of the Reporting entity

Hindustan Everest Tools Limited (the 'Company'), a public limited Company is a manufacturer of hand Tools. The Company was incorporated on January 25, 1962 and the registered office of the Company is at Dohil Chambers, 4<sup>th</sup> floor, 46 Nehru place, New Delhi. Equity shares of the Company are listed on Bombay Stock Exchange ("BSE" or "the Stock exchange").

### 2. Recent accounting pronouncement

Ministry of Corporate Affairs ("MCA"), through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified the following new and amendments to Ind ASs which the Company has not applied as they are effective from April 1, 2019:

#### **Ind AS 12 Income taxes (amendments relating to income tax consequences of dividend and uncertainty over income tax treatments)**

The amendment relating to income tax consequences of dividend clarify that an entity shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events. The Company does not expect any impact from this pronouncement. It is relevant to note that the amendment does not amend situations where the entity pays a tax on dividend which is effectively a portion of dividends paid to taxation authorities on behalf of shareholders. Such amount paid or payable to taxation authorities continues to be charged to equity as part of dividend, in accordance with Ind AS 12. The amendment to Appendix C of Ind AS 12 specifies that the amendment is to be applied to the determination of taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. It outlines the following: (1) the entity has to use judgement, to determine whether each tax treatment should be considered separately or whether some can be considered together. The decision should be based on the approach which provides better predictions of the resolution of the uncertainty (2) the entity is to assume that the taxation authority will have full knowledge of all relevant information while examining any amount (3) entity has to consider the probability of the relevant taxation authority accepting the tax treatment and the determination of taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates would depend upon the probability. The Company does not expect any significant impact of the amendment on its financial statements.

### 3. Summary of significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of these Standalone financial statements. These policies have been consistent with those of the previous year.

#### A) **Basis of preparation**

##### **i) Statement of compliance**

These standalone financial statements ('financial statements') have been prepared in accordance with Indian Accounting Standards (Ind - AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

The financial statements for the year ended March 31, 2019 were authorized and approved for issue by the Board of Directors on May 16, 2019.

##### **ii) Discontinued operations & Going concern**

Subsequent to closure of its only manufacturing facility in year 2017, the management of the Company has been exploring various business activities in trading as well as manufacturing space with a particular emphasis in engineering sector which has traditionally been the expertise of the management since the inception of the Company.

Further, the management has explored the business of trading in metals and plans to scale up the trading activities in the year 2019-20. Accordingly, the operating segment of the Company as of now is trading in metals.

During the quarter ended December 31, 2018, the Company had substantially completed the settlement of liabilities, and realisation of assets, pertaining to its discontinued operations. Net surplus funds are available at the Corporate level for investment in a new business and the same have been temporarily invested in debt based mutual funds to earn risk free returns. As of now, income from or gain on fair valuation, of these investments is major source of income for the Company. However, the investments are temporary and the management of the Company does not foresee it to be a permanent source in view of the aforementioned business plan under evaluation. Consequently, the statutory liabilities and tax credits shall now be considered at Corporate level as majority of the liabilities of discontinued operations have been settled.

Consequently, figures for the discontinued operations have been separately disclosed and operations of the trading activities have been considered as continuing. Accordingly, corresponding figures for the previous periods have been reclassified/regrouped as per current period presentation.

The net worth of the Company as on date is positive and there is no foreseeable issue that the Company shall not be able to pay off its remaining liabilities which are not significant in current context.

In view of improved net worth and availability of funds, the management is hopeful to finalise a new business plan for the Company in near future and the Company shall be able to continue as a going concern.

However, out of abundant caution and in view of accounting principle of prudence, all the assets have been shown at lower of book value and net realisable value and all known liabilities have been fully recorded at values at which the same are likely to be discharged. Consequently, all the known losses have been recorded and unrealised gains, if any, have been ignored.

### iii) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

#### ***An asset is treated as current when it is:***

- Expected to be realised or intended to be sold or consumed in normal operating cycle of the Company
- Held primarily for the purposes of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

#### ***A liability is treated as current when:***

- It is expected to be settled in normal operating cycle of the Company
- It is held primarily for the purposes of trading
- It is due to be settled within twelve months from the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

### iv) Basis of measurement

These standalone financial statements have been prepared on the historical cost basis except for the following items:

Items	Measurement basis
Certain financial assets and liabilities	Fair value

## v) Use of estimates and judgements

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

### *Judgments*

Information about judgements made in applying accounting policies that have the most significant effects on the amounts recognized in the Standalone financial statements is included in the following notes:

### *Assumptions and estimation uncertainties*

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ended March 31, 2019 is included in the following notes:

- Note 5– recognition of deferred tax assets: availability of future taxable profit against which tax losses carried forward can be used;

---

## B) Financial instruments

---

### *Recognition and initial measurement*

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through profit or loss which are measured initially at fair value. Subsequent measurement of financial assets and financial liabilities is described below:

### **Non-derivative financial assets**

#### *Subsequent measurement*

**Financial assets carried at amortised cost** – a financial asset is measured at the amortised cost, if both the following conditions are met:

The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

#### *De-recognition of financial assets*

A financial asset is primarily de-recognized when the contractual rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

### **Non-derivative financial liabilities**

#### *Subsequent measurement*

Subsequent to recognition, all non-derivative financial liabilities are measured at amortised cost using the effective interest method.

#### *De-recognition of financial liabilities*

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

---

## C) Foreign currency translation

### *Functional and presentation currency:*

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is entity's functional and presentation currency.

### *Transactions and balances:*

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction. Exchange differences are recognised in statement of profit or loss.

## D) Property, plant and equipment

### *Recognition and measurement*

Items of property, plant and equipment are measured at cost, less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on retirement from active use or disposal of an item of property, plant and equipment is recognised in statement of profit and loss.

### *Subsequent expenditure*

All items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as separate asset is derecognised when replaced. All other repairs and maintenance are charged to statement of profit and loss during the reporting period in which they are incurred.

### *Depreciation method and estimated useful lives*

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using the straight-line method and is generally recognised in the statement of profit and loss. Freehold land is not depreciated.

Depreciation on fixed assets is provided as per the guidance set out in the schedule II to the Companies Act, 2013. Depreciation is charged on straight-line method based on estimated useful life of the asset after considering residual value as set out in schedule II to the Companies Act, 2013.

<b>Assets Category</b>	<b>Estimated useful life (in years)</b>
Buildings	60
Vehicles	8 to 10

Plant and machinery*	15 to 20
Furniture and fixtures*	5 to 15
Office equipment's*	3 to 20

\*Refer note 22 on discontinued operations

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (up to) the date on which asset is ready for use (disposed of).

Leasehold improvements are amortised over the lease period or the estimated useful life, whichever is shorter.

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

## E) Intangible assets

### i) Initial recognition

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

### ii. Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, is recognised in the statement of profit and loss as incurred.

### iii. Others

Intangible assets are amortised on a straight-line method basis over the estimated useful life not exceeding six years.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised.

## F) Employee benefits

### Short-term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid e.g., under short-term cash bonus, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

### Long-term employee benefits

*(treated as short-term for measurement in view of closure of operations)*

#### i. Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Company makes monthly contributions to statutory provident fund (Government administered provident fund scheme) in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952 which is a defined contribution plan. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in statement of profit or loss in the period(s) during which the related services are rendered by employees.

#### ii. Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. Gratuity is a post-employment benefit and is in the nature of a defined benefit plan.

In view of closure of its operations, the Company's net obligation in respect of defined benefit plans has been considered as current liability and has been calculated on actual basis as per the provisions of Payment of Gratuity Act, 1972.

---

## G) Revenue

---

Revenue is recognized when it is probable that the economic benefits will flow to the Company and it can be reliably measured. Revenue is measured at the fair value of the consideration received/receivable net of rebate and taxes. The Company applies the revenue recognition criteria to each nature of revenue transaction as set-out below:

### i) Revenue from sale of goods

Revenue from sale of goods in the course of ordinary activities is measured at the fair value of the consideration received or receivable, net of returns, rebates and trade discounts. This inter-alia involves discounting of consideration due to the present value if the payments extend beyond credit normal terms. Revenue is recognised when significant risk and rewards of the ownership have been transferred to the buyer, recovery of consideration is probable, the associated costs and possible return of goods can be estimated reliably, there is no continuing effective control over, or managerial involvement with, the goods and the amount of revenue can be reliably measured.

The timing of transfer of risks and rewards varies depending on the individual terms of sale.

### ii) Recognition of dividend income

Dividend income is recognised in statement of profit and loss on the date on which the Company's right to receive payment is established.

### iii) Interest income

Interest income or expense is recognised using the effective interest method.

---

## H) Leases

---

Determining whether an arrangement contains a lease at inception of an arrangement, it is determined whether the arrangement is or contains a lease. At inception or on reassessment of the arrangement that contains a lease, the payments and other consideration required by such an arrangement are separated into those for the lease and those for other elements on the basis of their relative fair values.

### ii. Operating lease

Assets held under leases that do not transfer to the Company substantially all the risks and rewards of ownership (i.e. operating leases) are not recognised in the Company's Balance Sheet.

Payments made under operating leases are generally recognised in profit or loss on a straight-line basis over the term of the lease unless such payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases. Lease incentives (if any) received are recognised as an integral part of the total lease expense over the term of the lease.

---

## I) Income tax

---

Income tax comprises current and deferred tax. It is recognised in statement of profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

### *i. Current tax*

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

### *ii. Deferred tax*

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax is not recognised for:

- deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Company recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets – unrecognised or recognised, are reviewed at each reporting date and are recognised/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

Minimum Alternative Tax ('MAT') credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

Current and deferred tax is recognised in the statement of profit and loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity and in this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

---

## J) Earnings per share

The basic earning/loss per share is computed by dividing the net profit/(loss) before other comprehensive income attributable to owners of the Company for the year by the weighted average number of equity shares outstanding during reporting period.

The number of shares used in computing diluted earnings/(loss) per share comprises the weighted average shares considered for deriving basic earnings/(loss) per share and also the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

---

## K) Provisions and contingent liabilities

Provisions are recognized only when there is a present obligation, as a result of past events and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognized nor disclosed except when realisation of income is virtually certain, related asset is disclosed.

---

## L) Impairment

### *Impairment of non-financial assets*

At each reporting date, the Company assesses whether there is any indication based on internal/external factors, that an asset may be impaired. If any such indication exists, the recoverable amount of the asset or the cash generating unit is estimated. If such recoverable amount of the asset or cash generating unit to which the asset belongs is less

than its carrying amount. The carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If, at the reporting date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is re-assessed and the asset is reflected at the recoverable amount. Impairment losses previously recognized are accordingly reversed in the statement of profit and loss.

#### *Impairment of financial assets*

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets. ECL is the weighted-average of difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive, discounted at the original effective interest rate, with the respective risks of default occurring as the weights. When estimating the cash flows, the Company is required to consider:

All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets, Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

#### *Trade receivables*

In respect of trade receivables, the Company applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

#### *Other financial assets*

In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

---

#### **M) Cash and cash equivalents**

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

---

#### **N) Cash flow statement**

Cash flows are reported using the indirect method, whereby net profit/ (loss) before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated.

---

#### **O) Segment Reporting**

In accordance with IND AS- 108, the Company had only one segment i.e. business of hand tools. However, the Company has discontinued its operations as explained in note 22. The management has explored the business of trading in metals and plans to scale up the trading activities in the year 2019-20. Accordingly, the operating segment of the Company as of now is trading in metals.

## 22 Discontinued operations and Going concern

### i) Discontinued operations

Subsequent to closure of its only manufacturing facility in year 2017, the management of the Company has been exploring various business activities in trading as well as manufacturing space with a particular emphasis in engineering sector which has traditionally been the expertise of the management since the inception of the Company.

During the quarter ended December 31, 2018, the Company had substantially completed the settlement of liabilities, and realisation of assets, pertaining to its discontinued operations. Net surplus funds are available at the Corporate level for investment in a new business and the same have been temporarily invested in debt based mutual funds to earn risk free returns. As of now, income from or gain on fair valuation, of these investments is major source of income for the Company. However, the investments are temporary and the management of the Company does not foresee it to be a permanent source in view of the aforementioned business plan under evaluation. Consequently, the statutory liabilities and tax credits shall now be considered at Corporate level as majority of the liabilities of discontinued operations have been settled.

Further, the management has explored the business of trading in metals and plans to scale up the trading activities in the year 2019-20. Accordingly, the operating segment of the Company as of now is trading in metals.

Consequently, figures for the discontinued operations have been separately disclosed and operations of the trading activities have been considered as continuing. Accordingly, corresponding figures for the previous periods have been reclassified/regrouped as per current period presentation.

The net worth of the Company as on date is positive and there is no foreseeable issue that the Company shall not be able to pay off its remaining liabilities which are not significant in current context.

In view of improved net worth and availability of funds, the management is hopeful to finalise a new business plan for the Company in near future and the Company shall be able to continue as a going concern.

However, out of abundant caution and in view of accounting principle of prudence, all the assets have been shown at lower of book value and net realisable value and all known liabilities have been fully recorded at values at which the same are likely to be discharged. Consequently, all the known losses have been recorded and unrealised gains, if any, have been ignored.

The Company has a system-based approach to risk management, anchored to policies and procedures and internal financial controls aimed at ensuring early identification, evaluation and management of key financial risks (such as market risk, credit risk and liquidity risk) that may arise as a consequence of its investing and financing activities. Accordingly, the Company's risk management framework has the objective of ensuring that such risks are managed within acceptable and approved risk parameters in a disciplined and consistent manner and in compliance with applicable regulation. It also seeks to drive accountability in this regard.

## 26 Credit Risks

### (A) Credit risk

The Company assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

#### a) Credit risk management

##### i) Credit risk rating

The Company assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

A: Low credit risk

B: High credit risk

Asset group	Basis of categorisation	Provision for expenses credit loss
A: Low credit risk	Trade receivables, cash and cash equivalents and loans	12 month expected credit loss
B: High credit risk	Trade receivables	Life time expected credit loss or fully provided for

In respect of trade receivables, the Company recognises a provision for lifetime expected credit loss.

Based on business environment in which the Company operates, a default on a financial asset is considered when the counter party fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions.

Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy, advance not recoverable or a litigation decided against the Company. The Company continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognised in statement of profit and loss.

## 27 Liquidity Risk

### i) Continued operations

The Company's current assets aggregate to Rs.20,02,57,675 (2018- Rs.27,23,31,210) including current investments, cash and cash equivalents and other bank balances of Rs.1,99,357 (2018- Rs. nil) against an aggregate current liability of Rs.74,73,372 (2018- Rs.nil); Non-current liabilities amounting to Rs.nil (2018- Rs.nil).

### ii) Discontinued operations

The Company's current assets aggregate to Rs.9,33,852 (2018- Rs.2,24,09,792) including current investments, cash and cash equivalents and other bank balances of Rs. nil (2018- Rs. nil) against an aggregate current liability of Rs.59,83,488 (2018- Rs.9,98,83,358); Non-current liabilities amounting to Rs.nil (2018- Rs.nil).

Further, while the Company's total equity stands at Rs.31,01,30,845 (2018- Rs.320,444,954), Non-current borrowings- Rs. nil (2018- Rs.nil), current borrowings- Rs.nil (2018- Rs.nil). In such circumstances, liquidity risk or the risk that the Company may not be able to settle or meet its obligations as they become due does not exist.

## 28 Market Risks

The Company is not an active investor in equity markets; it continues to hold certain investments in equity for long term value accretion which are accordingly measured at fair value through Profit and Loss. The value of investments in such equity instruments as at March 31, 2019 is Rs.13,47,009 (2018- Rs.14,36,290). Accordingly, fair value fluctuations arising from market volatility is recognised in Profit and Loss.

As the Company is virtually debt-free and its deferred payment liabilities do not carry interest, the exposure to interest rate risk from the perspective of Financial Liabilities is negligible. Further, treasury activities, focused on managing investments in debt instruments, are centralised and administered under a set of approved policies and procedures guided by the tenets of liquidity, safety and returns. This ensures that investments are only made within acceptable risk parameters after due evaluation.

The Company's investments are predominantly held in debt mutual funds and are fair valued through the Statement of Profit and Loss to recognise market volatility. The Company also invests in mutual fund schemes of leading fund houses. Such investments are susceptible to market price risk that arise mainly from changes in interest rate which may impact the return and value of such investments. However, given the relatively short tenure of underlying portfolio of the mutual fund schemes in which the Company has invested, such price risk is not significant.

## 29 Foreign currency risk

The Company does not have a significant foreign currency risk as it does not have any significant exposure in foreign currency as at the year end. The Company has no-hedge policy for its foreign currency items as these are insignificant. Therefore, the sensitivity to foreign currency fluctuation is not relevant.

## 30 Fair value hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

**Level 1:** quoted prices (unadjusted) in active markets for financial instruments.

**Level 2:** inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

**Level 3:** unobservable inputs for the asset or liability.
